

Telespazio UK – I-STEM 2024

A Week in the Life of a Space Engineer

Application Form

Applicant Requirements:

- Open to all Year 12 STEM students.
- Must be taking maths and/or physics or equivalent (e.g. engineering) subjects.
- A basic disclosure check to be completed prior to the start date of the event. Further instructions on this to follow post successful application.
- A teacher reference will be required.
- You must be able to provide your passport on the first day of the event.
- Any IPR (Intellectual Property Rights) will be retained by Telespazio UK. This means that rights to any outputs from the project will be retained by the company.
- Completion of the Competition Questions is required to be considered for this event.
- Provision of any incorrect details may invalidate your application, please provide full details.

If travel costs are a barrier to attending the event, a bursary may be available to cover travel costs incurred during the event week. Further details will be provided upon successful application.

Once completed, please send the application form to stem-uk@telespazio.com
